*Your Formula for Mastering Personal Finances*

## The Global Financial Abundance Project

### **Goal:**

**Global financial abundance and the eradication of all debt.**

### **Perception:**

Planet Earth is generally broke. Individuals, families, businesses and governments are not creating sufficient wealth. Debt is increasing in all areas. Nothing positive is happening to improve the situation.

### **Intention:**

To effect a widespread positive change in financial abundance by rapidly increasing financial literacy amongst individuals, families, businesses and governments.

### **Vision:**

Worldwide financial abundance. An abundance of food, energy, goods and services. A healthy, happy society full of people with money to exchange for what they desire. Abundant planetary resources, sufficient to handle any situation.

### **Plan:**

Connect to all powerful leaders and parties to make more of the goal. Bring together under a common umbrella as a steering committee  
Build a project team that has the shared intention, power and resources to make the vision come about.

Create a network of connected groups that have vested interest in the outcome, especially educators, bankers, investors and policy makers.

Bring together educators, local businesses and interested local groups in every city, town and village on the planet.

Create a multi-level financial literacy program. Employ those educated in the program to create positive cash flow for the project.

Create a charitable foundation and raise funds using all possible means.

Build a promotion and marketing team that is totally focused on getting broad publicity in all media possible.

### **Outcome:**

A fiscally literate planetary population with massive abundances.
